

**City of Carpinteria
Finance Committee Agenda
Monday, April 27, 2026
Council Chambers, 5775 Carpinteria Avenue,
Carpinteria, CA 93013**

3:00 PM Regular Meeting

Attendance/Viewing Options:

- Attend the in-person meeting in the Council Chambers at City Hall (5775 Carpinteria Ave.)

How to Provide Public Comments

- Provide a live public comment in the Council Chambers at City Hall (5775 Carpinteria Ave.). Please note the City has the discretion to limit the speaker's time for any meeting or agenda matter. Typically, the practice has been 3 minutes per speaker on each item.
- Submit a written comment (as either a general public comment or on a specific agenda item) to be distributed to Finance Committee by 3 hours before the meeting begins by either submitting your comment via (1) email to PublicComment@carpinteriaca.gov, or (2) follow this link (<https://carpinteriaca.gov/city-hall/agendas-meetings>), select the meeting you want to provide a comment on, and click the Submit Comments button located on the left hand side of the agenda portal. Please reference the agenda item to which your comment pertains. Note that written comments will not be read into the record during the meeting.

Call to Order

Roll Call

Public Comment

This is the time for public comments on matters not otherwise on the agenda, but within the subject matter jurisdiction of the Finance Committee.

Capital Improvement Project Mid-Cycle Update

1. Capital Improvement Project Mid-Cycle Workshop

Monthly Finance Report - March 2026

2. Budget Report Summary
3. Budget Report by Program

4. Budget Report by Type
5. Prior Year Comparative Income Statement
6. Pool Cash Report
7. Pension Trust Fund
8. Project Activity Report

Single Audit Fiscal Year Ending 2024-25

9. Single Audit Fiscal Year Ending 2024/25

Adjournment

In compliance with the Americans with Disabilities Act, if you need assistance to participate in this meeting, please contact the City Clerk's Office at 684-5405, extension 403 or the California Relay Service at (866) 735-2929. Notification 2 business days prior to the meeting will enable the City to make reasonable arrangements for accessibility to this meeting.

This agenda was posted on April 23, 2026, by the Administrative Services Department, on the City Hall Public Notices Board, and on the Internet.

Carpinteria, CA

City of Carpinteria

COUNCIL AGENDA STAFF REPORT

ITEM FOR COUNCIL CONSIDERATION

Single Audit Report for the Fiscal Year Ended June 30, 2025.

STAFF RECOMMENDATION

Receive and file the Single Audit Report for the Fiscal Year ended June 30, 2025.

Sample Motion: *I move to receive and file the Single Audit Report.*

BACKGROUND

All non-federal entities that expend \$750,000 or more of Federal awards in a fiscal year are subject to a single or program-specific audit conducted for the fiscal year. It is intended to provide assurance to both the Federal and State Government that the City has adequate internal controls in place and is generally in compliance with program requirements. Local governments are required to obtain an audit pursuant to the Federal Single Audit Act Amendments of 1996 and prepare a reporting package that is submitted to both the California State Controller's Office (SCO), which serves as the Single Audit oversight agency for most California local governments, and the Federal Audit Clearinghouse (FAC), which acts as an executive agent for the Office of Management and Budget.

The City expended approximately \$1.06 million in federal funds during Fiscal Year 2024/25, exceeding the Single Audit threshold. The Carpinteria Avenue Bridge Replacement project and the East Via Real Stormwater project were identified as major programs subject to Single Audit requirements.

DISCUSSION

The Single Audit Report for the fiscal year ended June 30, 2025, completed by Rogers, Anderson, Malody & Scott, LLP (RAMS), found no instances of noncompliance with applicable laws, regulations, or grant requirements. The audit was conducted in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States; and the

requirements of 2 CFR Part 200. Based on the audit, RAMS issued an unmodified (clean) opinion on the City's compliance with federal program requirements.

The audit identified one finding related to internal controls over financial reporting, specifically a significant deficiency in the preparation of the Schedule of Expenditures of Federal Awards (SEFA). During the audit, multiple revisions were required to ensure the SEFA accurately reflected federal expenditures and properly identified the federal program number. This indicates that existing review and preparation procedures were not sufficient to ensure accuracy prior to audit submission.

Importantly, no material weaknesses were identified, and no findings were reported for federal awards (major programs).

The City has developed corrective actions to address this deficiency, including implementing a formalized review process and developing a comprehensive grant management policy.

The Single Audit Report was presented to the Finance/Budget Committee at a special meeting held on April 27, 2026.

POLICY CONSISTENCY

This action is consistent with federal requirements under 2 CFR Part 200, which requires a Single Audit for entities expending \$750,000 or more in federal awards annually. Conducting the Single Audit supports the City's commitment to transparency, accountability, and proper stewardship of federal funds, and aligns with the City's financial management and audit practices.

FINANCIAL CONSIDERATIONS

There is no budget impact as a result of this action.

LEGAL AND RISK MANAGEMENT CONSIDERATIONS

There is no legal and risk management impact as a result of this action.

PRINCIPAL PARTIES EXPECTED AT MEETING

There are no principal parties expected at the meeting.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Independent Auditor's Report

To the Honorable City Council
City of Carpinteria, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Carpinteria (the City), as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated November 21, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified certain a deficiency in internal control, described in the accompanying Schedule of Findings and Questioned Costs as item 2025-001 that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

City's Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the City's response to the findings identified in our audit and described in the accompanying Schedule of Findings and Questioned Costs. The City's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM;
REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND
REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
REQUIRED BY THE UNIFORM GUIDANCE**

Independent Auditor's Report

To the Honorable City Council
City of Carpinteria, California

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the City of Carpinteria (the City's) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs for the year ended June 30, 2025. The City's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the City complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the City's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the City's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on City's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about City's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding City's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of City's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of City's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of City as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise City's basic financial statements. We issued our report thereon, dated November 21, 2025, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Rogers, Anderson, Malody & Scott, LLP.

San Bernardino, California

March 25, 2026 (except for our report on the Schedule of Expenditures of Federal Awards, for which the date is November 21, 2025)

See accompanying notes to the schedule of expenditure of federal awards.

City of Carpinteria
Notes to the Schedule of Expenditures of Federal Awards
Year Ended June 30, 2025

1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (SEFA) includes the federal awards activity of City of Carpinteria (the City) under federal programs of the federal government for the year ended June 30, 2025. The information in this SEFA is presented in accordance with Title 2 U.S. *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the SEFA presents only a selected portion of the operations of the City, it is not intended to and does not present the financial position, changes in net position or fund balance, or cash flows of the City. For the purposes of this schedule, federal financial assistance includes both federal financial assistance received directly from a federal agency, as well as federal funds received indirectly by the City from a nonfederal agency or other organization. Only that portion of program expenditures reimbursable with such federal funds are reported in the accompanying schedule. Program expenditures in excess of the maximum federal reimbursement authorized or the portion of the program expenditures that were funded with state, local or other non-federal funds are excluded from the accompanying schedule.

2. Summary of Significant Accounting Policies

The expenditures included in the accompanying schedule were reported on the accrual basis of accounting. Under the accrual basis of accounting, expenditures are recognized in the period incurred. In addition, such expenditures are recognized following cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Expenditures reported include any property or equipment acquisitions incurred under federal programs.

3. De Minimis Indirect Cost Rate

Effective October 1, 2024, the Office of Management and Budget (OMB) revised the Uniform Guidance under 2 CFR Part 200 to increase the de minimis indirect cost rate from 10% to 15% of Modified Total Direct Costs (MTDC). Awards issued prior to October 1, 2024 (and not subsequently amended) continue to apply the 10% de minimis rate. Awards issued or amended on or after October 1, 2024 apply the revised 15% de minimis rate. The City has elected not to use the de minimis indirect cost rate for any federal awards.

City of Carpinteria
Schedule of Findings and Questioned Costs
Year Ended June 30, 2025

Section II: Financial Statement Findings

2025-001 Preparation of the Schedule of Expenditures of Federal Awards Significant Deficiency

Criteria

Management is responsible for establishing, maintaining, and monitoring internal controls over preparation of the Schedule of Expenditures of Federal awards (SEFA), and for its accurate presentation in accordance with 2 CFR 200.510(b).

Condition

During the audit, multiple revisions were made to the SEFA to accurately capture federal expenditures within the fiscal year under audit. These revisions were related to the amount of expenditures reported and the identification of federal programs and grantors.

Cause

The City did not accurately prepare the SEFA in accordance with 2 CFR 200.510(b), causing delays in the single audit process.

Effect

Risk of misidentification and misstatement of program expenditures, which may jeopardize future grant funding and incorrect identification of major programs.

Identification as a repeat finding

No.

Recommendation

We recommend that the City formally document its existing procedures for preparation of the SEFA and incorporate sufficient time for a thorough review and approval process prior to submitting the SEFA for audit.

Management's response

See attached Corrective Action Plan.

Section III: Federal Awards Findings and Questioned Costs

No findings to be reported.

City of Carpinteria
Summary Schedule of Prior Audit Findings
Year Ended June 30, 2025

No prior year findings were reported.

CITY of CARPINTERIA, CALIFORNIA

2025-001 Preparation of the Schedule of Expenditures of Federal Awards
Significant Deficiency

Federal Program

Hazard Mitigation Grant, AL 97.039

Management's response

Management developed a checklist for departments and Administrative Services to sign off at each stage of the grant process, from grant application through reimbursement requests to preparation of the SEFA.

The City is currently developing a formal Grant Policy. In the interim, the attached Grant Management Process and Tracking—outlining departmental responsibilities—will be incorporated into the policy. The City anticipates full compliance by December 1, 2026.
