Levine Act Warning

Applicants and their agents before the City Council are subject to the campaign disclosure provisions detailed in Government Code Section 84308. No City Council Member may accept, solicit, or direct a contribution of more than \$500 from any party for 12 months following the date a final decision is rendered by the City. No City Council Member may accept, solicit, or direct any contribution from an agent of the party during the same time frame. This prohibition commences when an item involving the entitlement has been placed on the City Council's agenda for a public meeting, when the City Council Members knows the action is within the City Council's jurisdiction and it is reasonably foreseeable that it will come before the City Council as a decisionmaker, or when the proceeding is before the City Council for its decision. A party to a City proceeding—which includes both applicants and agents—shall disclose on the record of the proceeding any contribution of more than \$500 made to any Council Member by the applicant, or any donations made by the agent, during the preceding 12 months. No party to a City proceeding, or agent, shall make a contribution to a Council Member during the proceeding and for 12 months following the date a final decision is rendered by the City. Prior to rendering a decision on a City proceeding, any Council Member who received contribution of more than \$500 within the preceding 12 months from any party, or who received any donations from an agent, to a proceeding shall disclose that fact on the record of the proceeding, and shall be disqualified from participating in the proceeding. However, if any Council Member receives a contribution that otherwise would require disqualification, and returns the contribution within 30 days of knowing about the contribution and the relevant proceeding, the Council Member shall be permitted to participate in the proceeding. If you believe that these provisions apply to you or a Council Member, please inform the City Clerk at the earliest possible opportunity. Failure to do so may affect the City's ability to process your application.
